

Independence Day Speech No.1

*A very Good Morning to the Respected Chief
guest, Hon'ble Dignitaries, respected Headmaster,
all the Teachers and everyone present.*

Our country India got independence on 15th August 1947 from British Rule. Before Independence India was a British colony and during that period Indian people have suffered a lot and have sacrificed their lives.

People who have been born after independence must feel proud as they are fortunate to be born in an independent India. Therefore they must acknowledge the sacrifice of all freedom fighters.

I am proud to be an Indian. And wish u all **Happy Independence Day.**

Thank You...

Jai Hind ! Jai Bharat !
